COMPANY PROFILE

Prikorlar Aluminium Company Limited was established in 1994 to manufacture aluminium pots and pans from aluminium circles. The company's mission is to be one of the major producers of quality aluminium utensils in Africa. Its vision is to be an integrated aluminium processing company, producing quality aluminium utensils, roofing sheets and others specialised products.

Producing under the aeroplane brand, Prikorlar's range of aluminium products includes pots in sets, wash basins of various sizes, and kitchenware.

Prikorlar Aluminium Company Limited has been a major participant in *Made in Ghana Solo Exhibitions* (exhibitions in which only Ghanaian products are displayed), organized in ECOWAS countries under the auspices of the Association of Ghana Industries (AGI). As a result, the company has attracted buyers from several African countries including Burkina Faso, Sierra Leone, Togo, Benin, La Cote d'Ivoire, Mali South Africa, Namibia, and Botswana. The company exports about 90% of its total production.

Etablie en 1994, **Prikorlar Aluminium Company Limited** se charge avec la fabrication des ustensiles d'aluminium; les casseroles, les bassines et les vaisselles. Sa mission, c'est de devenir l'une des fabricantes des ustensiles de qualité immense en Afrique. Sa vision siège non seulement à la production des ustensiles de cuisine de qualité supérieure, mais aussi à la fabrication des toiles de toiture et autres produits d'aluminium spécialisés, désignés aux marchés de l'Afrique.
